*Repeatedly dubbed Best Musical Program ever of Sydney Artists*

*Mighty Congratulations to Our Showcase Team for their Spirit, Drive, Delightful Performances and Delivering the Bollywood Blast as brilliant as visualized to the packed hall*

*The talented and famous artists of Sydney Dr. Reena Mehta, Vinod Rajput, Dilip Bhave & Manjari Kulkarni stole our hearts and of the audience's, with their energetic melodic voice & superbly singing popular songs of today with passion and enthusiasm. The singers and dancers with their lively persona on stage, changing their outfits in between with the mood of the song, fully connected with the mesmerized audience created an awesome feeling - True Bollywood gusto. Our very excited and dedicated Reena Mehta, with Vinod ji mentoring, helped us very passionately to put together this delightful **'booked-out'** show.*

In unique style, the evening commenced with Mangalacharan Vedic Shlokas by Acharya Shri, a charming welcome prayer classical Kutchhipudi dance and then diving into Bollywood. Dr. Gamini's Instrumental play-along was admirable. Dr. Bharathi Reddy, Mona & Puneet Grover, Antriksh Raje, Shruti Bose, Shrinka Vinod, Sudarshana Bose and Mehak Krishnan added their own charming flair to the show with their delightful and vigorous dances, the dance on "Kajraare" turning out a hoot. Enchanting Jaya Singhal: First time Compere's delightful confident delivery with Shairy in between was splendid. Also, we must thank our so enthusiastic, cheering & disciplined audience allowing the performers to give their best.

Feedback: Breathtaking evening, Best Show ever, different from other musicals, very organized & disciplined program - strict to the schedule and the script; their synergy, energy and 'andaz' impeccable and the songs' selection really great and unanticipated. Well-planned and well-delivered show, started & finished on time - India Club raised the bar again. The sound and lighting added value to the event and the attendees had praise for catering of Maya da Dhaba.

Our dear friend The Honorable David Clarke MLC, Parliamentary Secretary for Justice summed up the show very nicely that India Club has outshined in delivering such amazing best ever Musical Show.
