India Club Star 2021

We Honor

Dr. Tanima Banerjee

In recognition of her unique blend of talents & applying them for the betterment of the society, including dance, painting, calligraphy, languages, science & technology, as well as her passion for medical research in varied topics; for her desire, to teach Hindi, English, Math and Science to destitute children and children from disadvantaged families free of charge and prepare them for a better future. Her students interact internationally via her zoom school from places across Asia, the Pacific, USA, Canada and Germany etc., learning cross-cultural values while sharing their own values with them, enhancing the goodwill and harmony in the world. She is a role model for many young and old women from all walks of life aspiring to reach their own potential watching that how this young mother Tanima while pursuing her own dreams, inspires students around the world by her skilful coaching, still finding time to keep in touch with her passion for science & research, performing for charities, managing her family duties while keeping her focus on her 4 year old son ensuring that the son gets her undivided attention, his studies are not neglected and finds time to play with him; and all this with a big happy grin on her face.

India Club Star 2019

We Honor

Aileen Mountifield

In recognition of her innovative concept of “Safe Room”, a unique way to help women escaping domestic violence, For Pioneering a community-based program, to assist many senior people to remain in their own homes and feel more secure. For her passion to support women and families in domestic violence situations by establishing a foundation that will support and educate women and families, give access to counselling, health care, help to navigate services, legal help, further education and employment to re-establish control over their life, and all of this and more with little funding and mostly on voluntary donations is testimony to Aileen’s commitment and perseverance
