The Illumination of Sydney Opera house at Diwali, our cherished dream, will become reality at 8 pm on Tuesday the 21st of October.

Congratulations on success of the India Club campaign. We do thank you and Mr Arun Goel, former Council General of India for strong support and perseverance. Sincere thanks are also due to many others for advocating to advance the cause, to the Government of NSW and especially to the Premier Mike Baird and the Minister for Citizenship and Communities Victor Dominello. Multi-culturism and Harmony thrives in Australia.
