

Honoured for amazing work

SHUBHA Kumar from West Pennant Hills has been honoured for her work in assisting Indian migrants to integrate into The Hills community.

Baulkham Hills State Liberal MP David Elliott presented Mrs Kumar with the Baulkham Hills Local Woman of the Year Award earlier this month.

Mrs Kumar is the president and founder of the India Club, established in 2004.

She said the club is open to everyone, not just people from the Indian community.

“We are the first Indian group to do that,” she said.

“We are strong on multiculturalism and we believe in integrating with the community.”

Mrs Kumar is also a member of the Hills Domestic Violence Prevention Network and a founding mem-
